SPECIFICATIONS

PART I - GENERAL

1. The rates tendered by a contractor for the work shall include the cost of:
 - (a) All labour and supervision thereof, all materials, tools, implements and plant of every description, ladders, cordage, tackle etc., as well as the provision of safe and substantial scaffolding required for the proper execution of the work in conformity with the specifications for the various items of work;
 - (b) Supplying the requisite agency with necessary equipment's, to set out the work as well as to afford facilities for such examination of the work as the Departmental Officers may, at any time consider desirable, as also to count, weight and assist in the measurement, or check measurement of the work or material
 - (c) All fees and royalties of materials; and
 - (d) Finally clearing away of all rubbish, surplus materials, plant etc., on completion of the work and dressing and levelling off and restoring the site to a tidy condition, prior to handing over the work to the Engineer or his authorised assistant and also its maintenance until so taken over.
2. In the case of supplies of materials such as rubble, broken stones, gravel, sand etc., which may have to be measured prior to being used on the work the Contractor must always stack or arrange them neatly on level ground or on ground cleared and levelled by him for the purpose in such a manner as may be ordered by the Officer-in-charge so that they may be easily susceptible of inspection and measurement, the cost of such clearing, levelling and stacking or arranging being included in the rates for work. Each stack must be straight and of uniform section throughout and of the dimension specified by Officer-in-charge Materials not stacked or arranged in accordance with instructions issued will not be measured and paid for.
3. The Contractor shall be bound to bear the expense of defence of any action or law proceedings that may be brought by person for an injury sustained owing to neglect of above precautions in connection with the execution of the work, and to pay any damages and cost which may be awarded in consequence.
4. The Contractor shall also help himself out of any difficulties of penalties arising from interference with private property in the execution of the contract.
