TERMS AND CONDITIONS OF EMPANELEMENT

- 1) After empanelment any change in the Address, contact information including Phone Numbers, Constitution etc has to be informed to the Bank within 15 days from the date of such change. Any other change which affects the information furnished by you in the application also need to be informed within 30 days from the date of such change.
- 2) This empanelment will be valid for a period of 5 years or till such time the Bank forms a new empanelment subsequent to this empanelment. However, the Bank will have the liberty to cancel this empanelment at any point of time even in the initial 5 years period also. Bank may also review the empanelment every year for retaining satisfactory Consultants and to remove unsatisfactory Consultants based on their performance.
- 3) Based on the compliance of the applicants to minimum qualification requirements mentioned in this document, the Bank will select/ reject the applicant for empanelment. Bank's decision in this regard shall be final and shall be binding on the applicant.
- 4) Bank may add to the list of empanelment, if any consultant applies during the period of empanelment and is complying with all the minimum qualification criteria mentioned in this application.
- 5) The selected consultants will have to coordinate with different Agencies / Consultants / Contractors for the smooth execution of the work. During execution of works, written directions given by Asset Management Department, Security Division and Information Technology Division have to be complied under intimation to this Division.
- 6) Bank will have the right to negotiate with the applicants regarding their professional charges at any point of time.
- 7) The professional charges will be paid to the Consultant after completion of the entire works and certification of the contractor's final bill.
- 8) The duties/functions of Architect / Civil consultants mentioned under (Annexure-1) forms part of the terms and conditions.
- 9) Details of professional charges applicable to the Consultant are as under.

Value of work	Professional charges
Works costing 1 lakhs and below	3% of Actual value of work
Works costing above 1 lakhs but below 1 Crore	2.5% of Actual value of work
Purchase of Equipments/Capital Assets costing 1 lakhs and below (Bought-out items)	1% of Equipment value
Purchase of Equipments/Capital assets above 1 lakhs but below 50 lakhs (Bought-out items)	0.5% of Equipment value

- 10) Besides the above professional Charges, the empaneled Architect / Civil Consultants are entitled for the following allowances/benefits.

- a. Original Tender Document and Estimate book stationery charges will be reimbursed to the Consultant at actual cost on production of necessary information and supporting bills.
 - b. Applicable amount towards taxes will be paid as extra over and above the professional charges subject to production of necessary registration documents and other statutory formalities.
- 11) During any tendering process, if in the same tender document both works and bought-out items are clubbed, then while paying professional charges to the Architect / Civil Consultant, the Bank is at its liberty may segregate the works portion and bought-out item portion to arrive the professional charges payable to the consultant. Its decision in this regard shall be final and binding on the Consultant.
 - 12) In the event it is established that the empaneled Architect / Civil consultant is involved in unfair practices including false/distorted reports, which ultimately lead to distressed assets of Bank or such other damages, then the empanelment of such consultant will be terminated. In addition to the removal from the panel, Bank may approach concerned professional body or other organizations with the complaint of misconduct against such Consultant.
 - 13) The applicant should be capable of designing independently along with preparation of necessary drawings, estimate, tender document/Measurement book/Design Criteria's method to be adopted /Price calculation ,which standard followed DSR/CPWD etc.
 - 14) Services of the empaneled Architect / Civil consultants will be utilized as and when needed by the Bank and just empaneling the name/firm in Bank's panel does not guarantee awarding of any work from the Bank.
 - 15) The awarding of work is at the sole discretion of the Bank and payment of bills for the works undertaken is subject to the norms prevailing from time to time.
 - 16) Any email communication from the bank shall be binding on the empaneled Architect / Civil Consultant. It is the responsibility of the consultant to register with valid email id with Bank and it is in usage. The email id registered must periodically be checked by consultant and in case any communications are missed Bank will not be responsible.
 - 17) The empaneled Architect / Civil Consultants along with hard copies should share all tender documents including drawings and estimates prepared for the works to the Bank in soft copy, both in editable and non-editable forms.

- 18) The Bank does not undertake any responsibility to compensate the empaneled Architect / Civil consultant for any monetary loss other than the Bill amount payable for works executed by consultant.

The Bank reserves its right to delete the name of any Consultant from the panel of consultants at any time without assigning any reasons thereof. Start-ups must have Department of Industrial Policy & Promotion (DIPP) registered certificate.

ANNEXURE-1

DUTIES/FUNCTIONS OF ARCHITECT / CIVIL CONSULTANTS

The Architect/Civil Consultant shall render the following services in connection with the empanelment.

1. Taking the Bank's instructions, visiting the site, preparing Drawings, Plans and Designs which shall be in accordance with the local governing codes/standards, regulations etc (including carrying out necessary revisions till the same is finally approved by the Bank and concerned Authorities), making approximate estimate of cost and preparing reports on the scheme so as to enable the Bank to take a decision on the Drawings, Plans and Design.
2. The Architect / Civil Consultant shall submit a proper PERT CHART /Bar Chart incorporating all the activities required for the completion of the work well in time i.e., preparation of working drawings, detailed drawings, calling tenders, etc. in co-ordination with other Consultant.
3. To submit required drawings to the municipality and other local authorities and obtaining their approval/sanction/commencement certificate/conversion certificate for site/building plan approvals/completion certificate etc.
4. Preparing Working drawings, Layout drawings, Estimate connected with the work and all such other particulars as may be necessary for preparation of bill of quantities.
5. Preparing pre-qualification documents.
6. Preparing detailed tender documents for the entire Furnishing / Civil and allied works, complete with articles of agreement, special conditions, conditions of contract, specifications, bill of quantities, approved make /brand of materials, including detailed analysis of rates based on market rates, Time Schedule, Progress charts, etc.
7. Preparing tender notices for issue by the Bank or inviting tenders from pre-qualified/short-listed contractors on behalf of the Bank as the case may be for all Furnishing / Civil works and installations and submitting assessment reports (scrutiny) thereon, together with recommendations specifying abnormally high and low rated items. Preparing contract document for Furnishing / Civil work and getting them executed by the concerned contractors.
8. The assessment report shall be based on proper analysis of rates with constants from an approved Standard Hand Book and market rates of materials prevailing in the particular locality and labour for major items of works costing about 90% of the estimated cost of the work.
9. All commercial conditions shall be evaluated in financial terms instead of merely saying whether a condition may be accepted or not.
10. Preparing for the use of the Bank, the contractor and site staff, 3 copies of contract documents for all trades including all drawings, specifications, and other particulars. Preparing such further details and drawings as are necessary for proper execution of the works.
11. Assuming full responsibility for supervision and proper execution of all works by General and Specialist contractors who are engaged from time to time, including control over quantities during the execution to restrict variation, if any, to the minimum.

12. No deviations or substitutions should be authorized by the Architect / Civil Consultant without working out the financial implication, if any, to the contractor and without obtaining prior approval of the Bank.
13. Working out the theoretical requirement and actual consumption of all materials specified for each bill, wherever required and called for.
14. The Architect / Civil Consultant within the fee payable to them shall personally look after day to day work during the entire duration of the work, besides visiting the site at periodically or according to the exigencies of the work.
15. Checking measurements of works at site. Checking contractor's bills, issuing periodical certificates for payments, and passing and certifying accounts, so as to enable the Bank to make payments to the contractors and adjustments of all accounts between the contractors and the Bank. Architect / Civil Consultant shall assume full responsibility for all measurements certified by them.

Certification Format

Certified that the various items of work claimed in this (chronological no of bill) running bill/final bill by the Contractor ----- (name of contractor) have been completed to the extent claimed and at appropriate rates agreed by the Bank (through tender or otherwise) and that the items are in accordance with and fully conforming to the standard/prescribed specifications and drawings. We further certify that we have checked the measurements 100% of each of the item claimed in this bill. Hence, the bill is recommended for payment of Rs. _____ (in words).

Date:

Signature of Architect / Civil Consultant

The Architect / Civil Consultant shall endorse the above certification in the relevant Measurement Books also.

16. Submitting a detailed account of material that the Bank may specify and certifying the quantities utilized in the works.
17. Obtaining final building completion certificate and securing permission of municipality and such other authorities for occupation of the building and assisting in obtaining refund of deposit if any made by the Bank to municipality or any other such authority.
18. To appear on behalf of the Bank before municipal assessor or such other authorities in connection with the settlement of ratable value of the building for municipal tax purpose and tendering advice in the matter to the Bank.
19. Certify after test/commissioning/final inspection and check as the case may be, the completion of the work and/or satisfactory functioning of the system in service and utilities, as the case may be.
20. On completion of the work/satisfactory functioning of the service system and certification of completion/satisfactory commissioning, prepare 'as built' drawings with relevant calculations and specifications of the design/engineering for the records of the Bank. The consultant shall verify and confirm that identification marks and relevant specifications are made on all service installations/ boards etc. as the case may be, to carry out future additions/alterations / maintenance jobs.

21. The Architect / Civil Consultant shall be wholly and solely responsible for the successful completion of the Furnishing / Civil work in all respects consistent with safety and stability from the inception up to the handing over to the Bank.
22. The Architect / Civil Consultant shall assist the Bank in all arbitration proceedings between the Contractor and the Bank and also defend the Bank in such proceedings. They also should assist the Bank in answering clarifications/queries raised by the Central Vigilance Commission or other statutory bodies about the work if any.
23. The Architect / Civil Consultant shall furnish one complete set of load calculations, designs, calculations and drawings for the Bank's record both in the form of hard and soft copies.
24. Any other services connected with the works usually and normally rendered by the Architect / Civil Consultant, but not referred to hereinabove.
